## SELECTMEN'S REPORT

The Selectmen held 24 meetings on the second and fourth Mondays of each month at 8 P.M. that were opened to the public. These regular meetings will continue for the benefit of anyone that would like to plan ahead to attend. These meetings have been held mostly at the Town Clerks Office. In the future there should be some consideration to holding meetings at the Town Hall so that there will be a larger meeting room, more parking space and better attendance.

Our local Civil Defense Chairman, Paul Shedd did a great job handling the paperwork and working with the Army Corps of Engineers and numerous other agencies involved with getting damages repaired from the June flood.

The Selectmen would like to commend the Auditors and the Town Treasurer for their work in revising the Town Report for 1972. Their efforts resulted in the Town Report being awarded the "James Taylor Award," tying for first place with Wallingford.

To better service the roads, the Town needs good equipment and a suitable place to work on the equipment. To this end we have purchased a new dump truck and have constructed a Town Garage and advise replacing the present road grader which has served well for 22 years.

The Selectmen with the co-operation of District Highway Engineer, John Durkee made special application to the State Highway Board to use State Aid money on town roads. That money will not be forthcoming this year and therefore to give the voters the option of further improvement to town roads, you have the opportunity to vote a supplemental budget.

DAVID DUBEAU  
ROGER F. WEST  
THOMAS J. LAVICTOIRE

## CLARENDON FIRE ASSOCIATION

1973 was banner year for the Clarendon Fire Department.

In October we celebrated our tenth anniversary. During these past ten years we have had many, many memories. These memories would not have been possible if it wasn't for the excellent attitude of the firemen, auxiliary and the townspeople.

I feel that the town has certainly been lucky to have a group of men and women working endless hours free of charge in order that their community may be a safer and better place to live. Tax dollars have definitely been saved through their efforts, and most of all many families who could have lost everything have been spared the total destruction caused by the curse of fire.

In the past ten years we have made 334 fire calls, which is approximately 33 calls per year. The breakdown of calls for 1973 are as follows:

House	9	Barn	2
Shed	1	Grain bin	1
Trailer	1	Automobile	4
Electrical	1	Grass fire	3
Hotel	1	Slab	1
Propane	1	Chimney	1
Dump	1	Tree	2
School	1	Airport	1

Of these 31 calls, 3 were false alarms, 7 mutual aid, 3 possible arson. There were 97 truck hours, and 880 man hours at these calls. There were 350 hours spent at fire schools and a Civil Defense alert at the airport.

We have acquired an answering service in order to assure ourselves that calls will be answered at all times of day every day of the year. It is very important that the answering service be called in order that we get a more prompt and accurate alarm. If you need the Fire Department please use our call number. If you don't have a phone sticker contact us and we will see that you get one.

We are in the process of ordering a new pumper. The cost will be \$27,000.00. We now have \$7,500.00 set aside. If all goes

well we anticipate we will have nearly \$15,000.00 by September. We certainly solicit your help for this endeavor. It is very important we do something at this time because of rising costs and age and condition of our existing pumper. Our Bingo's are doing well and our annual auction has brought us much needed revenue in the past.

In closing please give us your support on town meeting day and throughout the rest of the year. Remember we can only be as good as the men and the women in the department, and the people that give us support throughout the year.

Respectfully submitted,  
 PHILIP PINKOWSKI, SR., Pres.  
 ALAN G. RIDLON, Chief

FIRE PHONE 5-0534

## REPORT OF THE SCHOOL DIRECTORS AND THE SUPERINTENDENT

The favorable vote by Clarendon and the other two school districts to form a union high school district is a step in the right direction. It will provide a high school within the town of Clarendon for the children to attend. By removing the 7th and 8th grades from our elementary building, it should allow enough space for that program without building additional room. The pupils in these grades (7 & 8) will have an expanded program which is not possible to give them now. Clarendon will also have an important share in the operation of such a high school.

Enrollment at the Elementary School is still increasing and the number of high school pupils is larger again. The figures on enrollment are as follows:

January 4, 1971 —	280
January 3, 1972 —	303
January 2, 1973 —	332
January 2, 1974 —	337

Pupils in high school for the present school year are:

Rutland High School	95
West Rutland High School	20
Wallingford High School	8

123

Twenty-one pupils are graduating from high school in June. The eighth grade numbers 33 so that leaves net gain for next year 12.

Your School Directors have worked very carefully on the budget for the next school year beginning July 1, 1974. While the total budget shows an increase of \$37,522.50 over the present year, the share to be raised locally is \$27,138.30 higher. This reflects increasing costs of everything to the school as well as decreasing support from state sources.

Two important projects are being developed by the staff of the elementary school. One is a career education program that is being tried on Friday afternoons. In this the children are being exposed to a variety of experiences that will help them to explore the world of work and give them a better understanding of a number of vocations. The second is the creation of an out door science area on the land near the school which has been described as having great potential for such an activity.

The Principal and staff are to be commended for their interest and concern in developing a well-rounded program of elementary education.

Edson E. Phelps  
Superintendent

Respectfully submitted,  
ROBERT STIMSON, *Chairman*  
LELAND CONGDON, *Clerk*  
MRS. ALICE BOWEN

Yes 290 No 102 11 Blanks

March 6, 1973 7:00 P.M. Meeting recessed.

**THE RUTLAND AREA VISITING  
NURSE ASSOCIATION, INC.  
1973 ANNUAL REPORT**

Town Clerks Office

Clarendon, Vermont

The Rutland Area Visiting Nurse Association, Inc. offered a variety of Health Care programs to your community during the year.

Our program included Skilled Nursing, Physical Therapy, Speech Therapy, Occupational Therapy, Home Health Aide Service, and a Volunteer Nutritionist. We also coordinate with the State Public Health Nurses to provide pre-school clinics and handicapped clinics. A lot of our service is also aimed at health guidance and preventive teaching to families, new mothers, and infant care, etc. We provide instruction in the care of the patient in the home, as well as giving direct bedside care on a part-time nursing basis for you and your family.

All services are offered under the direction of the physician.

We continue to be certified under the Medicare Program. This gives your residents who qualify under the conditions of the Medicare Program our services.

Pre-Natal classes were started this year providing a service which is new to our area this year. This has proved to be a very needed program. The response has been overwhelming. Details of these classes can be obtained through our office.

Total bedside care visits were provided to your community during 1973 are as follows:

Skilled Nursing visits	200
Home Health Aide visits	125
Occupational Therapy visits	4

Many other visits for health teaching and evaluation of the need were made in your community during the year.

We are happy to be able to provide this service to your community, but to continue our programs we will need your help and support for the following year.

Respectfully submitted,  
Evelyn Morgan, Director

## CLARENDON-SHREWSBURY-WALLINGFORD

## Union High School District 40

Your Union School Directors are meeting weekly and are moving as fast as possible towards a bond vote and ultimate new facility to house grades 7-12 for the three towns.

As of this writing (1/24/74) The Board has talked with 6 consultants from the State Dept. of Education who presented ideas in their respective field for the new building. Three sites have been viewed by members of the Board and other sites are available for consideration. The Board has interviewed 6 Architects and visited schools designed by 3 of these architects. Members of the Board have attended two State Board meetings in Montpelier to support approval of the Union.

By the time you received this report the Organizational meeting will have been held and an Architect hired. Options will be obtained on sites as soon as possible and evaluation of these sites made by the Architect and the various State Agencies involved. It is our goal to have informational meetings and a bond vote in June with construction starting in late summer or early fall. If we can meet these target dates we are assured the building can be ready for occupancy by Sept., 1975.

The Board greatly appreciates the participation and interest shown by the townspeople from the three communities and solicits your continued support of this project.

WILLIAM A. PARKER, Chairman (Wallingford)

LELAND S. CONGDON (Clarendon)

JOAN HOLDEN (Clarendon)

KATHERINE SANDERSON (Shrewsbury)

IRVING L. SMITH (Wallingford)
